Join us for the SPEAQ Annual Networking Cocktail Dinner

Connect with DFV practitioners, leaders, researchers, and government representatives at this trans-sectoral event, held alongside the SPEAQ Forum.

Set in a relaxed inner-city venue overlooking Brisbane's Roma Street Parklands, enjoy fine food, drinks, and conversation with some of the country's leading voices in domestic and family violence behaviour change.

Whether you're attending the Forum or not, this is a valuable opportunity to build connections, share insights, and be part of a community driving evidence-based change.

We'd love to see you there!

SPEAQ acknowledges the Turrbal and Yuggera people as the Traditional Custodians of the land and waters of Brisbane, formerly known as Meanjin, where the SPEAQ Forum 2025 will be held. We pay respects to elders past, present and emerging.
